

- Notes for October and November 2007 meetings are unavailable
 - Overview: Our October meeting was supposed to feature Gino Izzi as our guest speaker. Unfortunately Gino had to cancel at the last minute due to a family matter. Instead the meeting was used to cover important club matters (Calendars, Hoodies, etc.) and Paul Sirvatka gave an impromptu presentation which covered upcoming events and the 2008 storm chase season.

We were able to reschedule Gino Izzi for our November meeting where he gave his presentation of the "Chicago Metropolitan Blowdown". Afterwards we made our way to Mullen's for dinner and discussion.
